DANETTE BARNES

MIND AND BODY FITNESS PROFESSIONAL

Results-oriented Certified Personal Training Professional with a passion for designing exercise and nutrition programs that maximize workout efficiency, improve fitness, increase stamina, and develop an overall sense of well being. Personable trainer able to coach and motivate clients and create an environment where wellness goals are heard, nurtured, and executed producing lifetime results. Proven business acumen combined with practical experience and formal training in leadership, health, and fitness. Areas of strength include:

✓ Teamwork	✓ Yoga	✓ Pilates
✓ Nutrition Plans	✓ Bootcamps	✓ Aerobics
✓ Strength Training	✓ Flexibility Training	✓ Staff Leadership
✓ Fitness Program Development	✓ Business Development	✓ Group Fitness Plans

PROFESSIONAL ACHIEVEMENTS

- Built, trained, developed, and inspired a high-performing team charged with serving more than 2000 clients.
- Filled leadership void and revitalized languishing staff morale, transformed culture of complacency into one that emphasized service excellence, consistency, efficiency, and organization.
- Assisted numerous clients in developing fitness and nutrition programs and losing weight.
- Received nationally recognized American Council on Exercise (ACE) Personal Trainer Certification.
- Respected certified fitness expert in the Southeast Region of the U.S.
- Certified by the American Red Cross in CPR, AED, and First Aid.

WORK EXPERIENCE

My FitOodles, Atlanta, GA (2009–Present)
FOUNDER & PRESIDENT
 Distinguished owner of fitness and nutrition start-up charged with a mission to provide personalized fitness and wellness programs using holistic, mind, and body philosophies to assist clients in reaching their health and fitness goals and maintain them for a lifetime.

Level 1 Fitness, Atlanta, GA (2009–Present)
A small gym with a big vision — developing great bodies to do great service for our great human race. Credited with having more than 15 years' experience helping clients take their bodies and lives to the next level.

CERTIFIED PERSONAL TRAINER
 Hired to instruct groups or individuals in exercise activities and the fundamentals of sports. Demonstrate techniques and methods of participation. Observes participants and informs them of corrective measures necessary to improve their skills. Facilitates on-site training sessions and informational workshops providing instruction on making healthy life decisions.

- Enforce safety regulations governing sports, recreational activities, and use of exercise equipment.
- Creates specialized training programs for groups and individuals.
- Offers alternative exercises during classes to accommodate different levels of fitness.
- Teach proper breathing techniques used during physical exertion.
- Monitors participants' progress and adapts programs as needed.

Harald Scott

haraldscott19@gmail.com LinkedIn.com/haraldscott19 Brisbane, Australia

EXPERIENCE

Mechanical Engineer

Hatch 2018 - Ongoing Brisbane, Australia
 Hatch is a large employee-owned, multidisciplinary professional services firm providing technical and strategic services.

- Reduced number of fasteners by 25% through component standardization.
- Completed 3 multinational projects resulting in commendation by client for exemplary work.
- Used 3D Printing technology on a daily basis as part of the prototyping process for products I designed.
- Finished installation Mechanical work in Waste water treatment Plant (140,000m3/d) in HCM City.
- Created a 3 month plan to induct 12 new graduates into the business.

Trainee Mechanical Engineer

Brisbane Power Company 2015 - 2018 Brisbane, Australia
 In charge of the generation of electricity and the organization construct, own, operate, and maintain power generation stations.

- Utilized Excel to update Standard Work Sheets for 3 programs; TRENT 700, CF6-B0 E1, & CF34-10E.
- 2 patents filed in the field of digital cutting and digital printing.
- Increased revenue with 30%.
- 3D Computer Aided Design, Drafted Standard Geometric Dimensions, Tolerancing

Junior mechanical engineer

Micrometal 2011 - 2015 Brisbane, Australia
 A production company focused on cutting, bending, and assembling metal parts.

- Created & updated 100+ illustrated planning's of all programs within Regional & Engines (RB211).
- Experienced with ASME VIII, B16.5, B31.3, TEMA 9th Edition, CAP 437 and NFPA 11 codes and standards.
- Designed flight and tooling parts for space antennas and UAVs, following the ASME Y14.5 2009 spec
- Individually formulated the design and erection of 3 stage rotor jet ejector system.

EDUCATION

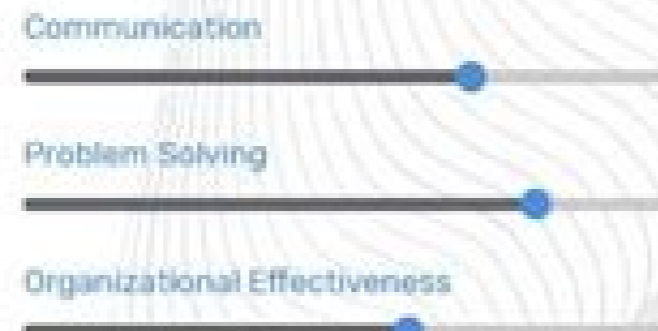

Masters of Engineering in Automation and Manufacturing Systems

University of Sydney 2008 - 2010

Bachelor of Engineering Science

The University of Western Australia 2004 - 2008

INDUSTRY EXPERTISE

LANGUAGES

ACHIEVEMENTS

- ✓ **Six sigma project**
Six sigma project completed with over \$1 Million savings per year
- 👥 **Leader of cross-functional teams**
Lead team from Santa clara and New Hampshire plant for silicon MEMS packaging, transportation and build strategy

STRENGTHS

- 👤 **Self-Starter**
Passionate about improvement and excellence. Take initiative to learn the new and understand the old.
- 👥 **Team-Driven**
Driven by the team's pursuit of success and perform where needed, whether leading or following.

Robert Smith

Jr. Records Specialist

The absence of Jim Henson's creative son Jim Henson, the rebro for three of the Muppets, directed the original film of the Labyrinth. Take a look at how the fan base (and color) of The King Reacted to Disney's remake of a live-action. They have found that people are more willing to spend money when they are feeling sentimental or nostalgic. That's why our current movie industry is flooded with unsolicited remakes and sequels, especially for 1980s and 1990s D11th century stars. also a challenge to imagine any visible reason why the original á seemingly immortal ATM His masterful puppets showed an unparalleled depth of skill by rival puppeteers, and in a time without impressive CGI graphics, he was one of the go-to guys for special effects. Fans who have grown up watching a specific film tend to feel belittled, misunderstood or simply misled when that film ends up lost in a translation. Photo Courtesy: Henson Associates, Inc./IMDb If you do not believe that Bowie's absence in the aftermath of the Labyrinth is more of a casting challenge than a reason to cancel the whole project, I recommend that you do not go back and watch the original 1986 film. All of this is done in the name and for a profit quest. must be judged by its fullness, recollection and lasting impact. And yes, I'm going to DanÁsa Magica A áExcuse me, but it's impossible for a casting director to find a multi-talented actor/musician to take Bowie's place in a 3 sequence. Allow me to take a brief moment to discuss why a sequel to Labyrinth is unlikely, & siaminA .gnimraFotnemivlovneseD e soÁÁivreS edadinumoCecivreS ed soÁÁivreS llaCsecivreS laicnaniF & gniknaBaideM & setra .gnisitrevdAtroppuS eciffo e ofÁÁAartsinimdAsairtsÁAdnl sa sadoT .oriehnið moc sotsag ed soltibÁh e aiglatson ertne ofÁXenoc a erbos satrebocsed uocilbup hcraseeR remusnoC fo lanruoj o .4102 me segami ytteG / semlif ed ofÁÁAeloC ikceleib yelnatS :aisetroC otoF .sievÁrroh marof sele sodot e - teppum ed sneganosrep sosomrahc sues moc siartaet sotnemaÁAnal onic ed sonem evuoh ofÁN .oEÁtne edseD .emlif od aronos ahllit ad edateme ad siam uozilaer e uevercse mÁBmat memoh o - lagel octiÁmsirac onematropmoc e ocsetnagig eceipdoc .odidnuoc etnemanasni odaetnep ues ed mÁla ednetse es eiwoB ed sÁÁneserp A .nosneH ed soqÁÁAairc sad ahilvarep e edadicmetua a riutitsbus airedop IGC ed edaditnuq amuhnen E .sodatre etnemlevircni mairacif seIE .eiwoB divaD levÁrapmoci o .a.k.a" → á nllbog ier o hteraj hteraj onigÁrdna e onrete ues od atlaf ritnes lev .raÁemoc araf .08 sona so etnarud seled etnaid mavatse euq ohnartse e selpmis siam odnum olep maiesna euq solluda a odagepa .amla mes e odahnogrevased mu euq od siam essoF 2 otrinribal mu euq ed sÁÁAnarepse acuoq Áh .odatluser omOC .arutamerp megassap aus maratnemal odnum o odot ed serodarinda e sEÁf so e .odadraug mob oderges mu e adassacarf edÁAs auS .raripusS .aleuqes amu otricep rot ontemivlovne levÁssop ues oa otnauq .tirB ontemicelhevne od arvalap amu Áh ofÁN .otnemom etsed ritrap a saM .aleuqes amu rezaf ratnet oa asioc ednarg ÁA ofÁN nosneH ed acinÁAsua a euq ed lanis mu omoc semlif so ravel medop snugla bdmf/cni .setaicossA nosneH .adidce otoF ?oEÁÁÁirapa amu rezaf arap odaraperp ÁÁise lanigiro emlif od lapincirp rota O .eiwoB divaD ÁA etnemlaer ossi 7IGC ed odasep otrinribal ed ekamer mu mereuq o EÁ Án sEÁf so euq ed odicnevoc oEÁN .siecÁfid soifased snugla aterfne antitvarep ed mev euq otrinribal ed aleuqes amu Áres neM-eiwoB otrinribal ed aleuqes amU .aied aob ÁA ofÁN Resources and Recruitment & Communication Transportation & LogisticsMarketing & CommunicationsMining, Resources & EnergyRetail & Consumer Products Photo Coursesy: Henson Associates, Inc./imdb Hollywood seems determined to profit from remakes and sequels that film creators don't write 3, producing or releasing. In most cases, the result is an alienated original public and a disinterested young man. It can be a challenge to separate the truth from the fiction of these performances, as Bowie becomes so absorbed in his characterization that he simply ceases to be himself. Unfortunately, Henson passed away in 1990. (Don't you dare, Fox of the XX Century!) Just stop thinking about it and appreciate that magic for what it is. Making a sequel to the film maze without using Henson's puppets would be like George Lucas abandoning Star Wars franchise prantics puppets in favor of poorly generated informational graphics. Here's a spoiler: they didn't like it. A project fueled by profits, not the pi of it begs the question: "Why are these executives green - they light up so many remakes and sequences of so many 80s now? Unfortunately, the answer lies in profit based on nostalgia. Thus, with a heavy heart - and in recognition that 10 January 2021, marks five years since the passage of the absolutely legendary and incomparable David Bowie - I am forced to approach the birth of a labyrinth sequence. Even as an adult, it is difficult to watch Jareth the goblin king, to give and to sing without stopping thinking ". Seeing Bowie perform as Jareth, it's a lot like watching him as Ziggy Stardust. More from Ask.com Academics has long studied consumer behavior, and it seems that recent studies don't go into deaf ears. Advertising executives and film producers took this information dusk pi and executed with it. Even so, even the most advanced hologram technology could not revive the presence on the screen of (nor should it). One Sequel without Bowie and Jim Henson would be like a Mrs. But in addition to relaunching original images in updated machines (think of Blu-ray and 4K downloads), the cinematographic industry prefers to take the existing intellectual property and rename it for the younger generation . Is the original director is still available? Any profit-based project, not in paixon, is condemned to failure, and that is why I am not looking forward to the confusion of a sequel that, without a doubt, is coming. Now, the original movie needs, need or even suggest a sequence? In addition to working hard to generate new films with new plot devices, leads and stories of sub-represented communities and convincing cinematographic visions, for example, the figurons of the American cinematographic industry are in a missile o to rapidly ruin any millennial child nostalgia removal. Oh, this has happened, and the answer has been less-than-stellar. The only thing that could remain consistent between the original labyrinth film and its proposed sequel is his main screenwriter, Terry Jones (from the fame and glory of the Monty Python). The answer to these questions is a single and resounding á € œDo.á € DoubTfire sequela without Robin Williams. The children of that is now now full adults with existential fear of the future as the climate change, the pandemics and the political chaos leave generations crying out by familiar and comforting nostalgia. nostalgia.
